Mobile Preventative Dental Services

AROUND THE CENTER

It is very important to have preventative dental services for children. The Suncoast Mobile Dental Coach provided by the Suncoast Community Health Centers, is a full-service clinic. Children ages 6 months to 18 years old can be treated on the Mobile Dental Coach for preventative services. If further treatment is needed a referral will be made at the time of the visit.

The dental coach features: On-board digital radiographs, including panoramic x-rays, 3 computerized treatment rooms, state of the art sterilization, and a friendly staff. There is no charge (\$80 value), however it is necessary to call and make an appointment. Participants that have a current dental home are not eligible. Walk-ins may be seen if time permits.
